

# AVIRANJAN DAS

Frontend Developer

Kolkata | 9064743623 | [aviranjand@gmail.com](mailto:aviranjand@gmail.com) | [Portfolio](#) | [GitHub](#)

## EXPERIENCE

### 1. E-commerce Platform – Developer (6 Months)

Built and optimized billing modules using HTML, CSS, JavaScript, and backend logic, ensuring accurate invoice processing and smooth payment workflows.

### 2. SRG Cottage Industries – Operations / System Support (1 Year)

Analyzed inventory data and supported system-based stock management processes, ensuring accuracy through regular validation and discrepancy resolution. Assisted in improving data consistency and workflow efficiency.

### 3. Bhikharam Chandmal Rajuji Sweets & Snacks Pvt. Ltd. – Frontend Developer (Jan 2024 – Present)

Developed and maintained user interfaces for inventory and stock management systems, improving usability and workflow efficiency. Built responsive layouts and ensured smooth data visualization for tracking and replenishment processes. Collaborated in basic technical evaluations and supported team onboarding.
